Email: billalamirathlub@gmail.com

Address: Village: Darbespur, Thana: Ramganj, District: Lakshmipur, Bangladesh

Career Objective

A visionary and self-driven entrepreneur with deep expertise in the lubricants industry, public transport, and international trade. With years of hands-on experience across countries like India, China, and Singapore, I aim to leverage my business acumen, global exposure, and leadership capabilities to expand sustainable enterprises, empower local industries, and inspire future generations through motivational speaking and social contribution.

Professional Experience

◆ Managing Director – City Lube Oil Industries

- Leading a fast-growing lubricant manufacturing and distribution company.
- Collaborating with international suppliers and consultants to ensure product quality.
- Overseeing operations, branding, and national distribution network.
- Supervising research and development for innovative lubricant formulations.
- Ensuring strict compliance with environmental and safety regulations.
- Managing large-scale procurement and inventory control efficiently.
- Representing the company in international business fairs and trade conferences.

◆ Managing Director – Al Baraka Exclusive (Public Transport Company)

- Operating and managing one of the region's most trusted public transport services.
- Ensuring safety, punctuality, and customer satisfaction across the fleet.
- Planning business expansion and modernizing services through technology integration.

☐ Proprietor – K S International

- Specializing in international trade and import-export of automotive and industrial products.

- Building long-term relationships with clients in South and Southeast Asia.
- Handling all business negotiations, customs clearance, and compliance.

☑ Shareholder – Al Baraka Plastic Industries

- Participating in strategic business decisions and financial development.
- Supporting production quality and market expansion.

Key Achievements

- Gained international expertise through industrial visits and collaborations in India, China, Singapore, and more.
- Recognized for contributions to the lubricant industry in Bangladesh.
- Delivered motivational talks to youth and entrepreneurs on leadership and business growth.
- Honorable member of FBCCI – contributing to national trade policy discussions.

Skills

- Business Strategy & Development
- International Trade & Negotiation
- Public Transport Operations
- Lubricants Production Management
- Motivational Speaking & Leadership
- Accounting Software: Tally Prime
- General Computing: MS Office, Internet Applications

Languages

- Bengali – Native
- English – Moderate Proficiency
